BRIGHT LIGHT

Inspired by the traditional Chinese altar lamp and shown here in Dark Ruby, this contemporized glass fixture from Hutton Home Lighting is handcrafted in Murano, Italy. It stands 26"H and comes with a coordinating silk shade measuring 12" in diameter. Available in either polished or frosted glass through the David Sutherland Showroom in Dallas, (214) 742-6501.

DREAM PUFF

Cushy quilting makes the Ruché sofa from Ligne Roset akin to sitting on a cloud. The secret: a steel-reinforced beech frame padded with polyurethane foam. A variety of materials, from wool to leather, can be specified for the quilted covering. Available through Ligne Roset, (800) 297-6738.

FINE FORM

This three-pod Sizzle table from the Wendell Castle Collection plays homage to nature with its unique organic form. It measures 56.25" in length, features a lacquered Fiberglas body with a wood top, and is available in a variety of color, wood and finish options through John Brooks Inc., Scottsdale, (480) 675-8828.

FLORAL FANTASY

A tight seat, chunky legs and curved angular back distinguish Rowe Furniture's new slipper-style Palmer Chair. The haute seat is available in a wide selection of fabrics, as well as a choice of wood finishes and leg styles, through Design Source Furniture, Tempe, (480) 838-7200.
